"Welfare of Masses"

## Marathwada Mitra Mandal's **INSTITUTE OF TECHNOLOGY, PUNE**

- Approved by AICTE, New Delhi
- Recognised by DTE, M.S. Mumbai
- Affiliated to Savitribai Phule Pune University
- Accredited with 'A' Grade by NAAC

**B.E. (Computer)**  
**B.E. (Mechanical)**  
**B.E. (Civil)**  
**B.E. (Mechatronics)**  
**B.E. (AI & DS)**

S. No. 35, Plot No. 5/6,  
Vadgaon Shinde Road,  
Lohgaon, Pune - 411 047.

**Ph.: +91 7447786623/ 7447786624**

**7745830111**

## Our Inspiration

### **Hon'ble Late Shankarraoji Chavan**

Ex. Chief Minister, Govt. of Maharashtra,  
Ex. Home Minister, Govt. of India,  
Founder President, Marathwada Mitra Mandal, Pune

### **Hon'ble Late Vilasraoji Deshmukh**

Ex. Chief Minister, Govt. of Maharashtra,  
Ex. Minister, Science & Technology, Earth Sciences  
Ex. President, Marathwada Mitra Mandal, Pune

## Marathwada Mitra Mandal, Pune

### MISSION OF THE TRUST

To impart quality education for professional excellence and sustainable development through continual improvement and team work.

### SOLE OBJECTIVE OF THE TRUST

Welfare of Masses

। येथे बहुतांचे हित ।

The trust 'Marathwada Mitra Mandal, Pune' was established in 1967 by Hon. Late Shankarraoji Chavan, Former Home Minister, Government of India. He was the 'Founder President' of the trust.

The trust started its activity with the objective of providing hostel or similar accommodation in Pune to the students. This trust is established through the inspiration of socially and educationally charged personalities with motto "Welfare of Masses" (। येथे बहुतांचे हित ।).

Mass education, co-education and dedication towards overall development of the region are watchwords of the trust. "At its various educational campuses the trust has created excellent facilities of education catering to Architecture, Interior Design, Management, Law, Commerce, Pharmacy, Engineering, Polytechnic, School etc. which provide excellent education to about 15,000 students."

## Executive Committee

**Shri. S. D. Ganage**  
B.E., M.M.S., Industrialist  
President

**Prin. B. G. Jadhav**  
M.Com, MIMA  
Executive President

**Dr. M. V. Surywanshi**  
M.Sc., Ph.D., Ex. Chairman - MPSC  
Vice President

**Dr. N. V. Biradar**

## FROM THE PRINCIPAL'S DESK

### INSTITUTE VISION :

- Techno-Social Excellence

### INSTITUTE MISSION :

The Mission of the Institution is to

- Enhance technology transfer
- Implement entrepreneurship
- Promote global competency
- Integrate innovative pedagogy
- Create excellent human resource

### CORE VALUES :

- Teamwork
- Value based ethics
- Societal trust
- Pleasant environment
- Industrial approach
- Committed faculty
- Standard report writing
- Adaptive research
- Lifelong learning

### QUALITY POLICY:

MMIT strives for imparting quality technical education by adopting best possible standards for continual improvement in skills with awareness of social responsibilities to meet expectations of stakeholders.

Dear Students and Parents,

Wishing you the season's greetings from Management, Staff and students of Marathwada Mitramandal's Institute of Technology (MMIT), Lohgaon, Pune. MMIT is established in year 2008. The campus is sprawling and lush green spread over 14 acres with beautifully planned spacious building and state-of-the-art infrastructure to provide pollution free environment for students.

The institute has well equipped laboratories for all courses, spacious workshop with CNC machine, well established library and reading room, mess and hostel at affordable cost.

The institute runs under graduate engineering programs Computer Engineering, Mechanical Engineering, Civil Engineering, Mechatronics Engineering and Artificial Intelligence & Data Science Engineering. The institute is accredited with "A" grade by National Assessment and Accreditation Council. The institute is also recognized as a nodal centre for Virtual Laboratory from IIT Bombay.

We are committed to provide value based quality education as per the need and expectation of industry and society to face global challenges by bridging gap between industry and academia in the field of technology

The Corporate Relations Division (CRD) Cell provides 100% placement opportunities to eligible students. Our alumni have been placed in reputed organizations like Tata Motors, Volkswagen, Cognizant Technology Solutions, Capgemini, Tech Mahindra, Infosys Technologies, L & T Infotech, Synechron, Persistent Systems Ltd., Kirloskar Group, Mahindra & Mahindra, Neutrino, Syntel, Thermax, Amdocs, Accenture and many more.

Institute has established multiple cells such as SAE-INDIA Collegiate Club, Incubation Centre, Entrepreneurship Development Cell, Departmental Students Associations. Students have shown remarkable achievements by winning many prizes in national level championship events like ATV BAJA Competitions, Gokart Competitions, Hackathon etc.

To impart employability skills in the students "Make It Happen" MMCIII (Marathwada Mitramandal's Centre for Invention, Innovation, and Incubation) is established through a joint collaboration of Marathwada Mitra Mandal, Pune, TATA Technologies and Science & Technology Park (DST), Pune. The infrastructure is setup with Industrial software, cut section of vehicles, industrial robots, automation machine and 20 workstation of TATA Technologies, etc. The advantage of this centre for students of MM group is, they can avail different training modules designed and delivered by TATA technologies.

- Principal

## ADMISSION INFORMATION

### A. Eligibility Criteria and Documents Required:

Please refer to the DTE and Maharashtra State CET Cell Official Website for updated information from time to time.

### B. Courses and Intake :

| Course             | DTE Choice Code | Intake | DTE Choice Code (TFWS) |
|--------------------|-----------------|--------|------------------------|
| Computer Engg.     | 620324510       | 120    | 620324511T             |
| Mechanical Engg.   | 620361210       | 60     | 620361211T             |
| Civil Engg.        | 620319110       | 60     | 620319111T             |
| Mechatronics Engg. | 620362410       | 30     | 620362411T             |
| AI & DS            | 620399510       | 30     | 620399511T             |

### C. Institute Fees (for FE and DSE) :

As approved by Fee Regulating Authority (FRA), Government of Maharashtra

| Particulars of Fees    | Open   | OBC / SEBC<br>EBC / EWS | NT / VJ / SBC / TFWS | SC / ST |
|------------------------|--------|-------------------------|----------------------|---------|
| Tuition Fees (Rs.)     | 76,785 | 38,393                  | 0                    | 0       |
| Development Fees (Rs.) | 9,215  | 9,215                   | 9,215                | 0       |
| Total Fees Rs.         | 86,000 | 47,608                  | 9,215                | 0       |

\*Please refer <https://mahadbtmahait.gov.in> website of Gov. of Maharashtra for eligibility and guidelines for scholarship

Following charges are applicable for every student :

| Sr. | Particular  | Amount (Rs.) |
|-----|---|--------------|
| 1   | Caution Money Deposit (Refundable when leaving or cancellation)   | Rs. 1,000/-  |
| 2   | Deposit for university exam fees & charges, eligibility, students insurance, T&P activities, class test, uniform etc. For one academic year (excess amount will be refunded to student's account, if any) | Rs. 7,000/-  |

### D. Transport Charges (Annual):\*\*

- Transport charges Rs. 6,000/- to Rs. 30,000/- depending on the route and distance from MMIT.

### E. Hostel and Mess Charges (for one academic year)\*\*

| Particulars        | Amount in Rs. |
|--------------------|---------------|
| Hostel & Mess Fees | 65,000/-      |
| Hostel Deposit     | 1,000/-       |

Note : Mess Fees include 2 times breakfast, Lunch and Dinner

\*\* Subject to revision

### Options for Fees payment:

#### 1. Online payment :

Netbanking / Credit Card / Debit Card / UPI:

<https://www.mmit.edu.in/index.php/admission2/online-fees-payment>

#### 2. College office:

- Debit / Credit Card through swipe machine
- DD / Pay Order: MMMS Institute of Technology, Payable at Pune  
For Hostel : MMMS Institute of Technology Hostel A/c, Payable at Pune

### F. Admission Cancellation and refund

Please refer to the DTE and Maharashtra State CET Cell Official Website for updated information from time to time.

## DISCIPLINARY

### DISCIPLINARY RULES AND PROHIBITION OF RAGGING

- All students must abide by the rules made by the College authorities from time to time in regard to their conduct and studies.
- Ragging is prohibited as per the decision of Supreme Court of India in Writ Petition No.(C)656/1998, Maharashtra Prohibition of Ragging Act 1999 and UGC Regulations 2009. Legal actions will be initiated if any student is found guilty.
- All students and parents are required to fill online undertaking on UGC's website [www.antiragging.in](http://www.antiragging.in) and submit the signed copy to the institute.

### ACTION AGAINST RAGGING

Maharashtra Prohibition of Ragging Act 1999 and Prevention and Prohibition of Ragging (Appendix 12 published in AICTE Approval Process Handbook 2011-12) and their amendments which may be published from time to time. The Maharashtra Prohibition of Ragging Act 1999 is in effect from 15th May, 1999 has the following provisions for Action against Ragging.

- a) Ragging within or outside of any educational institution is prohibited,
- b) Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and / or penalty, which may extend to ten thousand rupees.
- c) Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.
- d) Whenever any student or, as the case may be, the parent or guardian or a teacher of an educational institution complains, in writing, of ragging to the head of the educational institution, the head of the educational institution shall, without prejudice to the foregoing provisions, within seven days of the receipt of the complaint, enquire into the matter mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence, and shall, immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is located, for further action. Where, on enquiry by the head of the educational institution, it is found that prima facie there is no substance, in the complaint received; he / she shall intimate the fact, in writing, to the complainant. The decision of the head of the educational institution shall be final.
- e) If the Head of the educational institution fails or neglects to act in the manner specified in section "d" above when a complaint of ragging is made, such person shall be deemed to have abetted the offence and shall, on conviction, be punished as provided for in section "b" above.
- f) Undertaking from the candidate shall be taken while admitting the candidate in the Institute.
- g) Any Acts or its amendments which may be published from time to time by AICTE, Government or Judgments by Hon. Supreme Court of India, Hon. High Court of Bombay etc will be applicable to Candidates and Institutions covered under these rules of admission.
- h) If any of the statement made in application form or any information supplied or any certificate(s) submitted by the candidate in connection with his or her admission is later on at any time, found to be false or incorrect, his or her admission will be cancelled, fees forfeited and he or she may be expelled from the college by the Principal/Director. An appeal against the order of expulsion, however, may be sent within 7 days to the Director of Technical Education, Maharashtra State, Mumbai, whose decision in such cases will be final. Such candidates are also liable for penal action as per the provisions in the law.

### ICC Internal Committee:

ICC The Internal Committee is constituted in accordance with 'The Sexual Harassment at Workplace (Prevention, Prohibition and Redressal) Act, 2013'. Along with this Act, the ICC seeks to adhere to the spirit of Vishakha guidelines preceding this legislation in order to address the issue of sexual harassment at workplace for ensuring gender equality. The ICC aims to look into the complaints of sexual harassment in the establishment and also to generate awareness about the issue. (List of members and their contact details are available with office, on website, on notice board, on online portal.)

## Why MMIT ?

- CRD Cell for 100% Placement Assistance.
- Accredited with "A" grade by NAAC.
- Special scholarship scheme from MM group.
- Government Scholarships as per norms.
- Qualified and experienced faculties.
- E-Learning :  
Google Apps, NPTEL, Moodle
- IIT Bombay virtual lab nodal centre.
- Spacious central library, digital library & reading room.
- State of art infrastructure.
- 14 Acres of Campus, 6 Acres of playground.
- Industry - Institute - Interaction.
- National Digital Library Facility.
- Smart Classrooms.
- MM's Make it happen centre for Invention, Innovation and Incubation
- International Course Certification (AWS, Redhat, Juniper, Palo alto, Celonis, Blue Prism, Microchip)
- Personal attention through GFM Scheme

MMIT Campus

Hostel

### Boys and Girls Hostels :

Hostel : Wi-Fi enabled, fully furnished, attached bathroom, health care facility and mess, Daily Cleaning and Sanitization

### Bus Routes :

- Route 1 : Kalewadi - Chinchwad Gaon - Pimpri - Bhosari - Dapodi - Khadki - Vishrantwadi - Dhanori - Lohgaon - MMIT
- Route 2 : Karve Nagar - Malwadi - Katraj - Balaji Nagar - Swargate - Pune Station - Yerwada - 509 - Lohgaon - MMIT
- Route 3 : Hadapsar - Magarpatta - Keshavnagar - Chandan Nagar - Wagholi - Lohgaon - MMIT
- Route 4 : Kalewadi - Govind Garden - NaviSangavi - Dapodi Church - Khadki Station - Vishrantwadi - Dhanori - Lohgaon - MMIT
- Also PMPML buses are available from all corners of Pune & Pimpri Chinchwad

## MMCIII

Make it Happen centre for  
Invention, Innovation and Incubation

**A Joint Collaboration of Tata Technologies Ltd.,  
Science & Technology Park and  
Marathwada Mitramandal, Pune**

[www.mciiii.in](http://www.mciiii.in)

*Driving Innovation  
& Fostering Excellence*

### OBJECTIVES OF MMCIII

- Help Innovators to develop new products
- Promote technology startups
- Furnish high-end industrial training
- Provide co-working spaces to young entrepreneurs for promoting startups
- Mentorship to those who want to invent new products, services and processes
- Impart guidance for Intellectual Property Rights (IPR) and technology management

### SALIENT FEATURES OF MMCIII

- Research facilities for industry and individuals
- Collaborative entities with Industries
- Trainings modules designed by Tata Technologies Ltd
- Training imparted by Experts from Tata Technologies Ltd. and other Industry partners
- Joint Certification from TTL, STP and MMM
- Domain Specific Placement opportunities
- Plug and play startup incubator
- MCIII Project investment is about Rs. 20 Crores excluding space and infrastructure

### FACILITIES AT MMCIII

- Technology R & D Center
- Advanced Manufacturing Center
- Domain Exploration Center
- Incubation Center

### TRAINING MODULES

- Advanced Automobile Engineering
- Product Design and Development
- Electric Vehicles • Cyber Security
- 3D Printing • Piping Engg.

Advanced Robotic Centre

VMC

Cut Section of TATA SUMO Vehicle

Visit by prominent personalities : Dr Jagadale, Shri. Prataprao Pawar, Dr. Bhushan Patwardhan

# SOCIAL RESPONSIBILITY

Girl Students Strengthening Workshop

All-terrain vehicle & Gokart manufactured  
by students

## IQAC

### Internal Quality Assurance Cell (IQAC)

The role of IQAC is to arrange for periodic assessment and accreditation of institutions of higher education or units thereof, or specific academic programmes or projects. IQAC stimulates the academic environment for promotion of quality of teaching-learning and research in higher education institutions. This cell promotes the quality-related research studies, consultancy and training programmes, and to collaborate with other stakeholders of higher education for quality evaluation, promotion and sustenance.

#### Quality Policy

MMIT strives for imparting quality technical education by adopting best possible standards for continual improvement in skills with awareness of social responsibilities to meet expectations of stakeholders.

#### Objectives of IQAC

- To ensure Quality Education in the Institution
- To enhance Industry – Institute Interaction
- To motivate the students for Entrepreneurship
- To enhance Placement of the students
- To create healthy atmosphere for the Quality Research (Peer Reviewed International Journals/Intellectual Property Rights/ Sponsored Research Projects)
- To be accredited by NBA

#### Functions

- a) Development , application of quality benchmarks , Parameters for various academic and administrative activities of the institution.
- b) Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- c) Collection and analysis of feedback from all stakeholders on quality-related institutional processes
- d) Organization of inter and intra institutional workshops, seminars on quality related themes.
- e) Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices
- f) Periodical conduct of Academic and Administrative Audit and its follow-up
- g) Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

## DEPARTMENT OF MECHANICAL ENGINEERING

### VISION

To develop skilled and quality Mechanical Engineering Professionals for catering technical and societal needs

### MISSION

- To provide quality technical education by strengthening teaching pedagogy
- To enhance technical skills through industry institute interaction
- To inculcate self learning attitude and environmental awareness
- To imbibe entrepreneurship and leadership through active participative learning

### Programme Educational Objectives (PEOs)

- To apply knowledge of Mechanical Engineering to analyse and find viable solutions to technical problems in allied fields
- Design and develop engineering system components
- To help employability through entrepreneurship
- Enhance professional career to meet needs of society

### About Department:

The department has well qualified and experienced teaching and non-teaching staff. Teacher's use innovative teaching methods. The dept. has 16 well equipped laboratories for the practical working of mechanical systems including high end machines like CNC Machine, Universal Testing Machine, Accelerometer, Turbines, Petrol & Diesel engines etc. Department has a dedicated computer lab for learning softwares such as Roboanalyzer, AutoCAD, CATIA V5&V6, MATLAB, ANSYS, Master CAM, Automation Studio, Python etc. The department offers Honor Courses viz. Robotics, Electrical Vehicle, 3D printing etc. and Minor Courses like Data Science, Artificial Intelligence, Machine Learning etc.

- HoD, Mechanical Engineering

# DEPARTMENT OF COMPUTER ENGINEERING

## VISION

"Towards Ubiquitous Computing Technology"

## MISSION

- Creating Industry Oriented Competency
- Innovating Computing Studies
- Inspiring Students to Endorse New Technologies
- Virtualizing Upcoming World for Implementation

## Programme Educational Objectives (PEOs)

- To apply the principle of mathematics, in the area of computer science & engineering
- To design a system to meet global requirements of industry
- To produce graduates for solving ethical & social competency
- To produce a personal & professional leadership in their workplace & community

## About Department:

Welcome to the Department of Computer Engineering at Marathwada Mitra Mandal's Institute of Technology, Pune. Today, as we are moving towards the fourth Industrial revolution & we all are finding many changes over the decades. Digitization and Automation are the heart of the fourth Industrial revolution hence computer engineering becomes a Ubiquitous part of modern life, and new applications are introduced every day. The use of computer technologies is also commonplace in all types of organizations, in academia, research, industry, government, private, and business organizations. As computers become even more pervasive, the potential for computer-related careers will continue to grow. The career paths in computer-related fields will become the more diverse department and consistently strives with passion toward high-quality education. It is associated with various industries as training partners like ICT Academy, Red Hat Pvt. Ltd., Microsoft Pvt Ltd. Animation wala Pvt. Ltd and many more thoughts which students get real industry exposure and knowledge while learning in the Institute. Global information and communication technologies (ICTs) have become more powerful, accessible, and more widespread. They are now pivotal in enhancing competitiveness, enabling development, and bringing progress to all levels of society.

The strong pillars of the computer department are the State-of-the-Art Infrastructure, dedicated and competent faculty, hardworking students, and strong alumni connections. As the institute is located in the vicinity of the IT Hub, many opportunities related to a career in IT are available to students. This makes the future of the students bright, creative and productive.

- HoD, Computer Engineering

## DEPARTMENT OF CIVIL ENGINEERING

**VISION :** To establish the department in the field of "Civil Engineering" focused on quality education, center of excellence and innovative research.

**MISSION :** ● To promote quality education, research and consultancy for industry and society. ● To establish center of excellence in the field of research. ● To train students industrial interactions and innovative thinking with relevance to entrepreneurship.

### **Programme Educational Objectives (PEOs) :**

● Civil graduates will be engaged in problem solving using Engineering Principles to overcome the need of society. ● Civil graduates will deal with wide variety of engineering tasks like designing, supervision, construction and maintenance activity. ● Civil graduates pursue lifelong learning in their profession.

### **About Department:**

Welcome to Civil Engineering Department. Civil Engineering is one of the core branch of Engineering, involves in planning, designing, structural work, construction and Management. Civil Department is one of the growing Departments in MMIT since 2019. It provides platform to showcase all activities related to students, faculties and several other interactive programs.

Department has well established infrastructure having laboratories of Concrete Technology, Fluid Mechanics, Environmental Engineering, Geotechnical Engineering, Engineering Geology, Surveying, Strength of Material, Transportation and Civil CADD Lab. with good quality equipment to enhance the quality education and Research.

Department are having MoUs with industries to impart technical knowledge and skill to students in the field of civil Engineering. Department also encourage the students for competitive exams like Maharashtra Engineering Services (MES), IES and in private sector.

- HoD, Civil Engineering

## DEPARTMENT OF MECHATRONICS ENGINEERING

**VISION :** To pioneer engineering education by inculcating an interdisciplinary approach to system design and cultivate engineers and technology managers for the future industry and society.

**MISSION :** ● Enable students to apply analytical skills and technical knowledge for finding creative and optimal solutions to real life problems using interdisciplinary approach.

**Programme Educational Objectives (PEOs) :**

- To inculcate knowledge of basic engineering sciences and fundamentals of Mechanical, Electrical and Computer Systems.
- To create ability to Design, Develop Product and applications in the field of Automation and Mechatronics and be able to use Engineering Tools that will enhance their Productivity.
- To provide Professional Ethics and Oral, Written and Graphical Communication Skills.
- To create ability to spread Awareness of Societal and the Environmental Implications

### About Department:

MMIT is the first affiliated institute in the Savitribai Phule Pune University to offer a Bachelor of Engineering degree program in Mechatronics Engineering.

Department of Mechatronics Engineering in MMIT ,the facilities available are like three laboratories namely Electrical Machines and Drives ,Basic Electronics Laboratory and Analog Digital Electronics Lab. All these laboratories are used for the academic courses like Application of Integrated Circuits , Control Systems etc. Department is equipped with high quality smart rooms including Projectors and Software Lab/Internet lab includes different software like Kattiya , MATLAB AutoCAD.A standby UPS is provided in the department to take care of the occasional power shut down due to maintenance.

A mechatronic system is a multidisciplinary system embodying a synergistic combination of the disciplines of electrical/electronics, mechanical and computer science / information technology.

In today's world mechatronic products and systems are all around us; such as the modern auto focus camera, washing machines, printing and photocopy machines etc. Modern automobiles have many mechatronic systems such as electric power assisted steering, engine management, etc. Systems such as medical diagnostic scanners, surgical assistant robots etc. are being increasingly used. Intelligent automatic inspection systems help in reducing human intervention resulting in lower lifecycle cost and higher quality.

Mechatronics Engineers would creatively solve real life problems with an interdisciplinary approach.

- HoD, Mechatronics Engineering

## DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

**VISION :** To achieve excellence in the field of Artificial Intelligence and Data science

**MISSION :** ● To encourage the students for learning various AI & DS based tools & techniques ● To groom students technologically superior ● To train students in a way to meet the needs of society

**Programme Educational Objectives (PEOs) :**

● To provide a solid foundation in blend of science and engineering fundamentals ● To impart knowledge to design innovative solutions to solve a wide range of computational problems in industry, government, or other work environments ● To promote team building and leadership through a variety of professional activities ● To encourage the graduates to perform their duties with professional skills and ethics

### About Department:

AI is an interdisciplinary science with multiple approaches to build smart machines capable of performing tasks that typically require human intelligence. Data Science (DS) is an umbrella term for a group of fields that are used to analyze large datasets.

The curriculum of AI and DS includes core subjects of Computer Engineering with skills like Math & Statistics, Domain and/or Business Knowledge, Big Data & Visualization etc.

The department is offering undergraduate programme with an intake of 30. The department is well equipped with 6 laboratories having highly configure i7 processor machines as per the requirement of an innovative era of artificial intelligence and machine learning. Self-motivated, strong and high performing faculty are engaged in mentoring students and guiding them to realize their potential and become good ambassadors of the department and in turn institute.

AI & DS domain is considered one of the most lucrative jobs in the industry right now. With numerous openings spanning across all sectors, data science jobs are showing only the signs of growth.

- HoD, AI & DS

### Top most AI companies in the world are:

|          |        |             |
|----------|--------|-------------|
| Amazon   | Apple  | DataVisor   |
| Banjo    | Google | Intel       |
| Facebook | DJI    | Microsoft   |
| IBM      | OpenAI | & Many More |

### AI & DS Major Application Domain:

|             |              |
|-------------|--------------|
| E-commerce  | Healthcare   |
| Banking     | Education    |
| Marketing   | Sports       |
| Agriculture | Construction |

The background is a complex collage of scientific and mathematical elements. At the top, a bright blue sky transitions into a vibrant rainbow spectrum that curves across the upper half. Below the rainbow, various mathematical formulas are scattered throughout. On the left, there's a system of linear equations:  $\begin{cases} x_1 - x_2 + x_3 = 1 \\ 8x_1 - 5x_2 - 10x_3 = 15 \\ 13x_1 - 5x_2 - 6x_3 = 2 \end{cases}$ . Next to it is a partial derivative expression:  $\frac{\partial f}{\partial x}(x,y,z) = 1$ . In the center, there's a double integral:  $\iint_{(1-x-y-z)^2} dx dy dz$ . To the right, a green glass bottle is partially visible, with a label that includes the formula  $\frac{dz}{dy} = \frac{y}{x}$ . Other visible formulas include  $f(x,y,z)$ ,  $x \ln x$ ,  $a+b$ ,  $\sqrt{2} \cdot \sin 2x$ , and  $b-c \cos$ . The bottom left corner shows a diagram of a sphere with axes labeled  $x$ ,  $y$ , and  $z$ . The overall aesthetic is one of intellectual exploration and scientific discovery.

Nurturing aspirant engineers by inculcating the knowledge of science, engineering and moral values

The mission of the department is to strive for

C - Critical thinking

## I - Inspire learning

E - Enriching knowledge

N - Noble attitude

C - Continual improvement

E - Encouragement by parenting

1. Develop a necessary foundation in basic sciences and engineering fundamentals
2. Understand integration of basic sciences, mathematics and engineering fundamentals for further studies of their opted branch.

In the first year, students of all disciplines have to learn basic sciences and basic engineering courses viz. as Physics, Mathematics, Chemistry, Electrical, Mechanical, Computer and Electronics engineering. The department of Engineering Sciences cater the needs of teaching - learning process of First Year Engineering. The department has well equipped laboratories for these subjects.

The sanctioned intake of First Year is 300 including Computer Engineering, Mechanical Engineering, Civil Engineering, Mechatronics Engineering, AI & DS.

Efforts are directed towards improving "learning skills" of the students. Also, students are encouraged to develop the essential habits such as curiosity, hard work, punctuality, sincerity, creative thinking and self-learning. To achieve this goal, the department has experienced, proficient, enthusiastic, qualified and committed faculties.

- Hexagon shaped, staircase arrangement classrooms for better student - teacher interaction
- SMART classroom with interactive Smart-board and LCD projectors.
- Emphasize on eLearning - Video lectures, Virtual Lab nodal center from IIT Bombay, Google Apps and Google Classroom for sharing teaching material
- Individual mmit.edu.in domain email IDs to students
- Effective Guardian Faculty Member (GFM) scheme for a batch of students. Faculty acts as a friend, guardian, mentor and counselor.
- Support and guidance of a professional counselor at college with prior appointments.
- Interaction with parents and Parent-Teacher meetings at regular interval.
- Remedial lectures and revision sessions.

- HoD, Engineering Science

## LIBRARY

### .....Wealth of knowledge

Library is richly stocked and well organized with 2933 number of titles and 14173 numbers of volumes. Moreover library is equipped with electronic resources such as e-books and e- journals subscribed with DELNET. Library at MMIT provides book bank Schemes to Schedule cast (SC) students which contains a set of complete textbooks for every semester.

MMIT also registered/enrolled for National Digital Library Club Membership which is renewable after 12 months. The institution has Integrated fully automated Library Management System software - "System for Library Information Management" upgraded to the version 3.8.0 in September 2021, with barcode technology, which helps library to give fastest service to the user., it also tracks the record of books issued or available in the library.

### OBJECTIVES

- To enhance teaching-learning activities by providing appropriate resources and services.
- To provide flexible and responsive physical and virtual spaces for knowledge sharing.

### HIGHLIGHTS

- Digital Library with 25 Nodes to access rich collection of e-journals, e-books, CD's, DVD's, Question Paper etc.
- Plagiarism Checker Software
- Library Automation:-SLIM-21, Library Automation software with Barcode Technology.
- Book-Bank Facility
- Membership: ARAI, Jaykar Library SPPU
- Multimedia Facility: CD/DVD/Audio & Video etc.
- Reading Room: Spacious and comfortable, 24 hours open during examination period
- Home lending: 5 books for 10 days (extendable) & 1 book for 24 hours to students
- Open Access for all Students, Staff & Visitors
- Web based OPAC (Online Public Access Catalogue) for browsing book availability and reissuing books
- Photocopying, Printing and Scanning facility
- Reference and Referral Service
- Books for competitive examination such as GATE/GRE/CAT/TOEFL/GMAT etc.
- SMS and email facility to communicate users
- QR Code (Quick Response Code) for various useful links
- WiFi & CCTV

## WORKSHOP

### About Workshop

MMIT Central Workshop consists of Carpentry Shop, Fitting Shop, Welding Shop, Machine Shop, Forging Shop and Sheet Metal Shop, CNC Machine etc. Instructors train students to operate the hand tools and Machine tools to produce day to day articles. The products designed by students like Dust Pan, Eye Hook, L Brackets, Paper Weight, Study Table, Chaurang etc. are saleable in the market. Students utilize workshop facilities to fabricate vehicles to participate in various events. Final Year students undergo project work at workshop equipped with various machineries and special tools with skilled Instructors.

## HOSTEL

We encourage students to develop community life and inculcate a spirit of tolerance. We take care of their psychological and emotional problems and shape themselves to be better citizens. In this spirit and sense of direction, some rules and regulations are framed carefully for orderly and peaceful living and to make students the leaders of tomorrow. We aim to make the hostel students feel at home with suitable atmosphere for studying and overall personality development. Life in Hostels always provides many wits and fond memories and all such efforts are made to make a living in hostels more memorable with various festival celebrations as per Indian Culture.

### Other Facilities

- Separate study rooms
- 24 hours security in the campus
- CCTV Surveillance System
- Pure vegetarian mess
- RO plant purified water cooler on each floor
- Solar system for hot water
- Transportation facility in case of medical emergency
- News paper & magazines
- Well equipped gymkhana
- Backup electric supply of 62.5 KVA generator
- First aid facility
- Housekeeping persons for cleaning the rooms
- Spacious parking for both Hostels
- Fire fighting systems
- Yoga centre
- Indoor sports
- WiFi

### Facilities in Room

- Attached Toilet and Bathroom with hot water
- A Table, Chair, Cupboard for books and personal belongings
- Cot & Mattress
- Room Cleaning & Moping
- 24 Hours Water Availability

# RESEARCH & DEVELOPMENT

## MECHANICAL DEPARTMENT:

### Patent Published

1. SUCR-CUTTER-MACHINE :SMART UNDERGROUND CROP ROOT CUTTER-MACHINE
2. II-Parking System: Intellegent Independent Parking System
3. ICM-Cleaning :Intelligent car cleaning
4. Solar Energy Based Purification of Sea Water Using Distillation and UV Process
5. I-LIFT: Intelligent Lift

## COMPUTER DEPARTMENT:

### Patent Published

1. IAA-Predictive: Intelligent Aircraft Accidents Predictive using Machine Learning and Deep Learning
2. IWS-Device: Intelligent Woman Safety Device using AI Programming
3. IHY-Prediction: Intelligent System and Method for Advanced Harvest Yield Prediction using IoT Based Technology
4. FNUI-Real Time Alert Flood Notification & Real time alert using IoT
5. I-Spray: Intelligent Thief Identifier Through UV-GAL Spray
6. Through IoT Auto Security Smart Cam Drone and Station
7. I-Switch Intelligent Switch using IR Receiver And IR Transmitter
8. Intelligent Sign device with Real Date and Time
9. I-Key: Intelligent key Pattern Active through Biometric

## BCUD Research Grant Received from SPPU

1. "Drone Assistance System using Machine Learning"
2. "Smart Health Monitoring Jacket"
3. "Remote Farming System"
