Subject: To Get Permission For Project Testing In Your Organization.

To,

Respected sir,

We have a great pleasure to introduce "Marathwada Mitra Mandal, Pune." At its various educational campuses, the trust has created excellent facilities of education catering the needs of Engineering, Architecture, Interior Design, Management, Law, Commerce and Pharmacy. MMIT, Pune is running the UG courses in the field of Mechanical, Civil Engineering, Computer Engineering affiliated to Savitribai Phule Pune University, Pune.

We are writing this letter to permit our students to test their project in your organization. Our students have design the "Bullet Proof Shield" & also carried out the computational analysis. Now, they need to take practical test on that shield before the end of February 2020. So, we request you to give permission to our students to carry out the test in your organization under your supervision.

In Moreover, it has been proposed in the curriculum of Savitribai Phule Pune University, Pune to bridge the gap between theoretical and practical knowledge. We expect your extended cooperation for carrying out the project work which encourages the budding Engineers. We assure you that students will follow all rules and regulations of your organization during their project work.

Following students are involved in project group.

1. Tejas Jambekar. - 7498216369
2. Aditya Sutar. - 9307400484

Project: B.E. Mechanical Final Year 2020.

Looking forward for your kind and positive response.

Thanking you in anticipation.

Yours' faithfully,

  
Dr. R. V. Bhortake

AND

The Marathwada Mitramandal's Institute of Technology, Lohgaon was established in 2008. The institution is affiliated to Savitribai Phule Pune University, Pune and is approved by AICTE, New Delhi, recognized by DTE, Government of Maharashtra. At the institution, efforts are directed to accommodate and address expectations of every student in line with the vision of the trust of imparting quality education for professional excellence and holistic development through continual improvement and team work.

Now there for the parties hereto have agreed to enter into a Memorandum of Understanding (MOU) considering the long term benefit of sharing the knowledge between the institutes and established a vibrant academic collaboration, by undertaking joint activities in their respective fields of research, as below

(Hereinafter referred to as "Activities")

It is mutually agreed by and between the parties as under.

## Article 1: Objectives

The objectives of this MOU are:

- a) To allow the parties to plan collaborative research, educational, and training activities of mutual interest.
- b) To make available to the police, public, other researchers and faculty those facts, methods and new findings that are discovered through that research, and to share specialized scientific equipment, physical facilities and support services in ways that will expand and provide more cost effective research and education for the Parties.

### **Article 2: Activities**

- a) Seek mutual advice and support in planning and executing programs promoting excellence in respective areas of research, training and education.
- b) Encourage the regular / visiting faculty members and scientist, of either Institute to visits the other institute for giving talks in lecture / programs.
- c) Encourage students / research personnel/ staff of either institute to attend lectures, seminars, workshops, awareness programme and conference in the respective areas of interest.
- d) Share the library and scientific lecture and facility mutually by giving access to library and resources of either institute to the scientist/ students / research personnel of other institute.
- e) Encourage the research fellow, staff or students to visits the other institute for short duration for gating research inputs and guidance upon recommendation from the CPR or MMIT, Lohgaon, Pune.
- f) Encourage joint research activities and project. Interested faculty of either institution may initiate joint research projects. Subject to available funding, the Parties will encourage research centers of their respective institutions to initiate and conduct collaborative projects consistent with the other terms and specifications of this agreement. Such joint research projects are to be the subject of definitive project agreements specific to each project and separate from this MOU.

### **Article 3: Coordinating Committee**

- a) There will be a co-coordinating committee consisting of the SP of CPR, Pune and MMIT, Lohgaon, Pune and if necessary, to additional member from each institute who will be responsible for the effective implementation of the MOU.
- b) If any charges / expenses are to be paid by either institute for the facilities provide by the other institute, such will be decide by co-coordinating

committee by a separate ' Rentals and Services Agreement ' which also may be modified from time to time as per the need .

#### **Article 4: Disclosure, Publicity and Use of Names and Trademarks**

- a) CPR Pune and MMIT, Lohgaon, Pune shall, on their respective website and business communication, make a mention of this RESEARCH, EDUCATION & TRAINING PARTNERSHIP AND COLLABORATION. Any referred communications will be sent for review and approval by the co-ordination committee.
- b) The Parties acknowledge that by entering into this MOU is neither stating nor implying that it has tested, endorsed or approval any research, service or training.
- c) Nothing in this Article is intended to restrict either Party from disclosing the existence of any nature of this MOU or from including the existence of and nature of this MOU in the routine reporting of its activities.

#### **Article 5: Secrecy**

Confidential information shall be exchanged only under the terms of a separate agreement, whether a non-disclosure agreement, sponsored research agreement, material transfer agreement, or data use agreement. No confidential information shall be disclosed pursuant to this MOU.

#### **Article 6: General Terms**

- a) This MOU is effective from the date when both parties have signed it ("Effective Date").
- b) The MOU may be amended or extended by mutual consent in writing signed by authorized representatives of the Parties.
- c) Each party is liable for its own acts and omissions under this MOU, which, for the prevention of doubt, does not include any liability based on the acts or omissions of a third party.
- d) No export-controlled information shall be disclosed pursuant to this MOU.
- e) This MOU may be executed in counterparts, which taken together will constitute one document.

#### **Article 7: Duration**

This MOU shall remain in force for a period of five (5) years from the Effective Date. Either Party may terminate the MOU by providing at 30 days' advance written notice to the other Party. Termination or expiration of this

MOU does not automatically terminate any separate agreement between the Parties related to the subject matter of this MOU.

**Article 8: Intellectual Property, Inventions and Innovations**

- a) The terms with respect to title to and exploitation of intellectual property (including trademarks and service marks, copyrights, patents designs and confidential information on the subject of such intellectual property, inventions and innovations) will be negotiated on a project-by-project basis in the specific research project agreements and broadly governed by the IPR policy of both institutions.
- b) Information on research results and scientific materials (reports, articles, books) will be exchanged freely keeping in mind the mutually agreed provision of Intellectual Property Rights.
- c) All Intellectual Property solely conceived and/or developed by CPR Pune during the course of this Agreement shall be owned by CPR Pune. All Intellectual Property solely conceived and/or developed by MMIT, Lohgaon, Pune during the course of this Agreement shall be owned by MMIT, Lohgaon, Pune Intellectual Property jointly conceived and/or developed by CPR Pune and MMIT, Lohgaon, Pune Will be jointly owned by CPR Pune and MMIT, Lohgaon, Pune.
