"To establish the department in the field of civil engineering focused on quality education, centre of excellence & innovative research"

Department of Civil Engineering

A report on seminar 'Options & way forward to build a rewarding carrier' on dated 29th September 2022. at 10 am for Students Organized by the Department of Civil Engineering, Marathwada Mitramandal's Institute of Technology, Lohgaon, Pune.

Department of Civil Engineering, Marathwada Mitramandal's Institute of Technology (MMIT), Lohgaon organized a seminar on the topic of 'Options & Way Forward to Build a Rewarding Career' on September 29th, 2022. The seminar was held in the MMIT seminar hall and was attended by students of the Civil Engineering department as well as faculty members.

Details are as follows:

Time : 10:00 AM

Date : 29th September 2022.

Venue : Seminar Hall, MMIT

Speaker : Mr. Sameer Alone, Founder Director & CEO of Infini Institute of CPM.

The speaker for the seminar was Mr. Sameer Alone, Founder Director & CEO of Infini Institute of CPM. Mr. Alone is an experienced professional with extensive knowledge in the field of Civil Engineering Project Management. He shared his insights and experience on how students can build a rewarding career in the industry.

The seminar was coordinated by Prof. Vaibhav Sawant and was guided by the Head of Department, Mrs. Leena Deshmukh, and the Principal, Dr. Rupesh Bhortake. The event was well-planned and organized, and the seminar was filled with students eager to learn more about the topic.

Mr. Alone started the seminar by giving an overview of the Civil Engineering Project Management industry and the importance of this field in the construction and infrastructure development sector. He then went on to discuss the various career options available to students after completing their degree in Civil Engineering. He emphasized the importance of gaining practical experience and acquiring specialized knowledge to build a rewarding career in the industry.

Mr. Alone also shared his own personal experience and provided valuable insights into the challenges faced by professionals in the field of Civil Engineering Project Management. He spoke about the need for continuous learning and staying updated with the latest industry trends and technologies. He emphasized the importance of having a positive attitude and being proactive in taking up new challenges and opportunities.

The seminar was highly interactive, and students had the opportunity to ask questions and clarify their doubts. Mr. Alone was generous with his time and answered all questions with great detail and clarity.

In conclusion, the seminar was a great success, and the students and faculty members who attended it came away with a better understanding of the various career options and the way forward to build a rewarding career in the field of Civil Engineering Project Management. The insights and experience shared by Mr. Alone will be of great help to the students as they embark on their professional careers.

We would like to extend our gratitude to Mr. Sameer Alone, Mrs. Leena Deshmukh, and Dr. Rupesh Bhortake for making this seminar a great success.
