Day-II
(20th October 2018)

Research Methodology

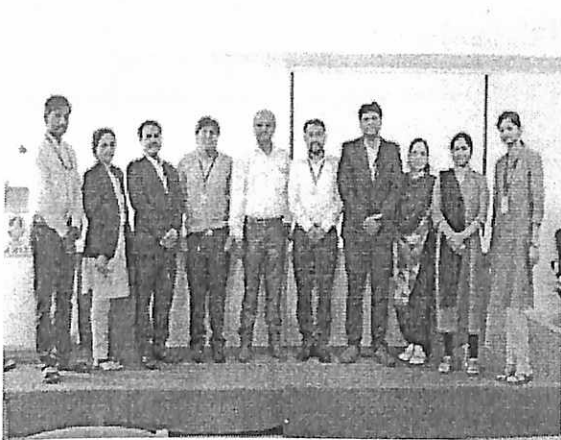

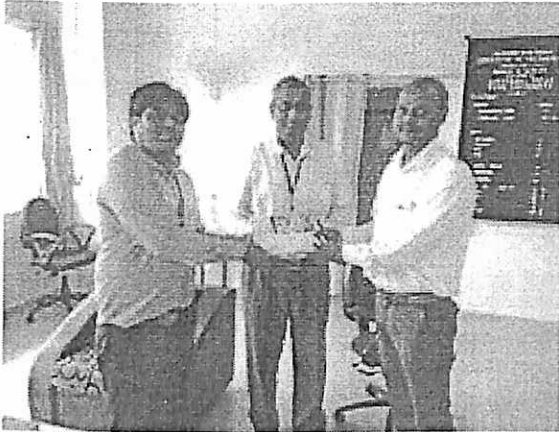

Basic of Research methodology, in this event addressed and emphasized the importance of research and the proper understanding of research, maximization of work minimization of weakness with proper time management, ethics in research. He emphasised that knowledge exploration is possible only through scientific research. "Quality of Doctoral Research in Education: Issues and Concerns" who introduced the participants to the basic aspects of research, types of research on the basis of various parameters, importance and its characteristics. He also opened an insight about importance and procedure of conducting Quality Doctoral Research in specific to Education. First of all, he pointed that the quest for understanding social reality and human behaviour is at the root of methodological concerns. He explained the importance of two key concepts such as 'research', and 'methodology' to enable participants to understand the basics of any research. It was pointed that research is more than an understanding of set of skills; it is a way of thinking.

Resource person:-

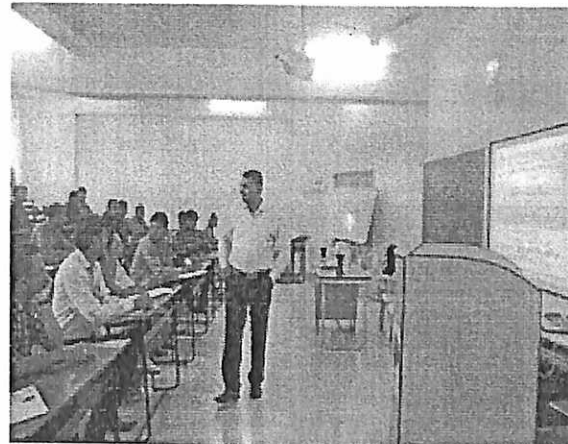

Dr. Parikshit Mahalle
Professor and Head, Department of Computer Engineering, STES, SKNCOE, Pune
Chairman - Board of Studies (Information Technology), Savitribai Phule Pune University
Member – Board of Studies (Computer Engineering), Savitribai Phule Pune University
Member, Academic Council, Savitribai Phule Pune University

Day-III
(21st October 2018)
