Date: 04.01.2020

NOTICE

All the SE and TE students from Computer Engineering are hereby informed to attend the Guest Lecture on "Python Programming".

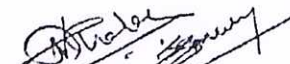

Details are given as:

Date: 06-01-2020

Time: 11.45am

Venue: Class room E-104

Note: Attendances is mandatory for all SE and TE students.

Guest Lecture Details

Subject: Introduction to Python Programming

Attendee: SE and TE Computer Engineering

Organized By: Department of Computer Engineering, MMIT, Lohgaon-411 047

Date: 6th January 2020

Resource Persons: Expert from IndiaFIRST Robotic, Pune

Objectives of Guest Lecture

The Guest lecture is arranged for introduction to python programming has following objectives

- To introduce python programming.
- To introduce real time use of python in robotics.
- To motivate students to build an application in python programming

Day-1
(6th Jan 2020)

Expert from IndiaFIRST Robotic, Pune has given the introduction of python programming. He has explained jobs in Machine Learning and Artificial Intelligence. He also provided the information about the comparison between C, C++ and python. Expert given the knowledge about different application developed in real time environment using python. He provided the knowledge of code implementation.

Program Outcomes

- Program focused challenges in application development in android using python.
- To obtain and maintain technological knowledge, experience and skills in order to support for project development.
- Program focused on different techniques to face campus interview.

Vote of thanks

Prof. S. G. Rathod, HOD Computer Department gave the vote of thanks expressing the gratitude towards Guest for sparing his valuable time from his busy schedule. She expressed thanks to Management for supporting and to HOD for motivating to arrange the program.
