Visit and Food Donation to Mamta Foundation

Date: 14th August 2021

Time: 12:30 pm

Venue: Mamta Foundation, Katraj

Mamta Foundation is a project for the welfare of HIV positive children and women. Mamta Foundation is registered under the Charitable Trust Act of India. Mamta is among the very few residential projects in this field. It started on 19th July 2008. Currently, Mamta shelters 30 children and 5 women in a 2500 sq.ft. area Bungalow at Katraj in the Pune city, Maharashtra state, India. Lack of awareness about HIV and AIDS leads to rejection from main stream society. India registered 5.7 million cases in 2007. Maharashtra ranked 4th in India and Pune scored 2nd in the state. Rehabilitation facilities for such children are not in proportion to the increasing number of registered cases. Hence Mamta's primary aim is to increase the life span by providing high protein diet, nutritional support and medical treatment, bring them in the main stream by providing basic education and exposure to society, provide rehabilitation, community health, women empowerment and spreading awareness and enabling social acceptance. Mamta Foundation create an atmosphere of love, care, happiness and understanding for each child to ensure physical, emotional and overall development.

MMIT NSS Unit has organised visit and food donation to childrens of Mamta Foundation on occasion of 9th Death Anniversary of Hon. Late Vilasraoji Deshmukh, Ex. President of Marathwada Mitra Mandal, Pune. Dr. R. V. Bhortake, Principal, Mr. R. P. Polas NSS Programme Officer, Mr. Vaibhav Sawant, Civil Dept coordinator along with NSS Students have participated in this visit. This visit is organized by NSS Unit.
