
"Mechanized Design Applications"**DEPARTMENT OF MECHANICAL ENGINEERING****April, 2021****Academic Year 2020-21**

Management to bring out to the eyes of the competitive world, the academic achievements of our prestigious institution.

The newsletter is one of the ways in which we can disseminate information on the life of the Department. The past semester was highly affected by the Pandemic of Covid-19. Most of the activities were conducted through online mode. As you read through the pages you will realize, that the Department had a particularly successful semester, during pandemic.

I would like to thank all my colleagues for their tireless efforts to help the department progress at a very steady pace.

-Prof. Sudhir S. More

Message from Head of the Department

Welcome and best wishes to all the friends of the Department who receive this Newsletter. It has been an interesting and busy semester for members of the Department.

This Newsletter is an attempt towards the achieving Motivation. The newsletter which is being rolled out today marks the launch of an sparkling activity that would enable the

Editor's View

This Newsletter also gives an opportunity to our student and staff to spotlight their insights, ideas and innovations and to show how this can be applied in almost any organization. The success of this newsletter depends on your response. I would appreciate your feedback.

-Asst. Prof. Naresh B. Dhamane

Online Conduction of Classes

Year 2020-21 will be marked in the history of the world, as it was the year affected by pandemic Covid-19. It put limitations on the academics and offline conduction of classes and practicals. Still the faculties and students together tried to overcome this problem through opting the online mode of academic conductions. Daily lectures and practicals were conducted through online mode by using Google Classroom. Assignment submissions and quiz conduction also was carried through online mode only. The University exams were also conducted in online mode.

Syllabus Implementation Workshops

From AY 2020-21, the SPPU syllabus for SE Mechanical Engg, was revised. Faculties of SE attended various syllabus implementation workshops arranged by SPPU for Sem-II subjects and given valuable inputs in the design and finalization of it.

Program on Art of Living

A program on “Art of living” was attended by faculties as well as students. It was guided by Ms. S. Meenakshi, Senior faculty of Art of living. The program was conducted on 13th March, 2021. All participants received the certificate of attendance.

NBA Workshop for Non-teaching staff

Department of Mechanical Engineering organized 3 day workshop on Role of Non-Teaching Staff in NBA Accreditation Process for non-teaching staff from 28th to 30th April 2021. For this workshop total 180 participants registered online. The different sessions were arranged for participants through Google meet as follows. The workshop was scheduled in two groups as the numbers of participants were large.

It always seems impossible, until it's done. -Nelson Mandela.

Marathwada Mitra Mandal's Institute Of Technology, Lohgaon Pune was established in 2008 and conducted the following Courses leading to Bachelor's Degree in Engineering 1.Computer Engineering 2. Electronic and Telecommunication Engineering 3. Mechanical Engineering 4. Civil Engineering. All these courses are approved by All India Council for Technical Education, (AICTE) New Delhi, sanctioned by Govt. of Maharashtra and affiliated to Savitribai Phule Pune University. The Marathwada Mitra Mandal Society, Pune was established in 1963.
