Message From Head of The Department

Welcome and best wishes to all the friends of the Department who receive this Newsletter. It has been an interesting and busy semester for members of the Department.

It gives me great opportunity to present the third issue of "MANIFESTATION". This internal

The past semester was full of various activities by the students and faculty in academic, co-curricular, extra-curricular as well as research & developments. As you read through the pages you will realize, that the Department had a particularly successful semester, we succeeded in organizing the first National Level Conference '**NCRTCT'17**.
