The newsletter which is being rolled out today marks the launch of an effervescent activity that would enable the Management to bring out to the eyes of the competitive world, the academic achievements of our prestigious institution. MMIT has grown in leaps and bounds, hurtling across barriers along the way. **This semester we got accredited with ‘A’ grade by NAAC.** This has been made possible with the collaborative effort of the Management, our Principal Dr. R. V. Bhortake sir, the Staff and the Students. I congratulate everyone for their commitment. The staff and students will get more recognition when the awards/achievements they won are publicized through the Newsletter.

I would also like to thank all my colleagues for their tireless efforts to help the department progress at a very steady pace.
