Distinctiveness of Institute

'Marathwada Mitra Mandal, Pune' is a trust established in the year 1957 with the motto "येथे बहुतांचे हित" (Welfare of Masses). The watch words of the trust are Mass education, co-education and dedication towards overall development of the students. This trust is well known for its student centric policies and providing quality education with affordable fees.

The institution was established in the year 2008. The institution has the vision "Techno-Social Excellence". Along with the necessary academic and technical knowledge in different disciplines, emphasis is given at nurturing graduates with a reasonable sense of social responsibility.

Most of the admitted students are from economically weak backgrounds and a significant number of open category students are from farmer's families (more than 60%). Amongst these, few students are not eligible for Government free ship and scholarship. Several deserving students are on the verge of quitting their education because of weak financial conditions every year.

The trust and the Institution take the responsibility of continuing education of such needy students through financial assistance and provide them an opportunity to become a successful engineer.

Institution has supported 176 students and provided Fees Concession of Rs. 50,22,812.00 during AY 2021-22.

The above provisions definitely helped to uplift the students and to improve the overall living standard of students and their families. As of now, 13 students graduated. Many of them got jobs in MNCs like TCS, Volkswagon etc.
