Subject: Advance of Rs.90245.00 out of sanctioned budget for Go-Kart Fabrication (Ref.AIRC 2022.

Respected Sir,

MMIT Team Invadr is participating in Go-Kart Competition, All India Racing Championship 2022. Total approximate budget for the event is Rs. 2.07 Lakh (College contribution Rs. 1.5 Lakh). Different components need to be purchased worth Rs. 1.25 Lakh. As per the regular practice, initially, students are buying components from their contribution and college reimburses its contribution back to student's account. But, in current situation it is difficult for students to raise fund of Rs. 1.25 Lakh. Hence, advance of Rs. 90,245.00 for purchasing items like Tyre, Brake system, Safety Harness, Pipe for frame is required by the students. After the purchase of components, billing will be settled.

Items like Engine, body panels will be purchased through student contribution which are required at later stage of fabrication.

Details of budget spent till now are as follows:

Amount Sanctioned	Rs. 1,50,000
Amount Required	Rs. 90,245.00
Amount Balance	Rs. 59,755

We request you to issue Rs. 90,245.00 (Rs Ninety Thousand Two Hundred Forty Five only) so that students can proceed for manufacturing and complete it within time.

## Screenshots of Program on IPR Awareness

Date: 27/01/2021

Time: 10.00 am to 11.30 am

The screenshot shows a Zoom meeting interface. At the top, there's a menu bar with options like 'File', 'Edit', 'Share', 'View', 'Audio & Video', 'Participant', 'Meeting', and 'Help'. Below this is a toolbar with icons for 'Unmute', 'Start video', 'Share', and 'Participants'. The main content area displays a presentation slide titled 'Viewing Amol Patil Examining...'. The slide text reads: 'IPR is collective term for Intellectual Property Rights; Intellectual property, very broadly, means the legal rights which result from intellectual activity in the Industrial, Scientific, Literary and Artistic fields. Intellectual property rights are like any other property rights. They allow creators, or owners, of patents, trademarks or copyrighted works to benefit from their own work or investment in a creation.' The NIPAM logo is visible in the bottom right corner of the slide.

'Tangible (Measure)' further branches into 'Movable Eg.: Car' and 'Immovable Eg.: Building'. 'Intangible (not measure)' branches into 'Intellectual Property', which then branches into 'Industrial Property' and 'Copyrights'. 'Industrial Property' further branches into 'Patents, Designs, Trademarks, Geographical Indications'. The NIPAM logo is visible in the bottom right corner of the slide.

## OBJECTIVES TO PROTECT IPR

Viewing Amol Patil Exam...

To give statutory expression to the **moral and economic rights of creators** in their creations and the rights of the public in access to those creations.

To promote, as a deliberate act of Government policy, creativity and the dissemination and application of its results and to encourage fair trading which would **contribute to economic and social development of the Country**.

**Moral Desert Theory.** According to John Locke, the fruits of a man's labor belong to him. The intellectual property rights also follow the same pattern because the innovator deserves the right because of his intellectual and physical labor.
