ABOUT MARTHWADA MITRA MANDAL

The trust "Marathwada Mitra Mandal, Pune" was established in 1967 by Hon. Late Shri. Shankarraoji Chavan, Former Home Minister, Govt. of India as the "Founder President". The trust had started its activity with the objective of providing hostel or similar accommodation in Pune to the students. This trust is established through the inspiration of socially and educationally charged personalities, with the motto **"Yethe Bahutanche Hit"** (Welfare of Masses). Mass education, co-education, and dedication towards overall development of the region are watchwords of the trust. At its various educational campuses, the trust has created excellent facilities of education catering to Architecture, Interior Design, Management, Law, Commerce, Pharmacy, Engineering, etc. Which provides excellent education to about 12,000+ students.

ABOUT MMIT

MMIT, Lohgaon was established in 2008. The institution is affiliated to Savitribai Phule Pune University, Pune and is approved by AICTE, New Delhi, Recognized by DTE, Government of Maharashtra. The uniqueness of the institute lies in its provision for an elaborate spectrum of engineering program under one roof which emphasis on quality education, training, and building of cultural value and development of professional skills. The institute has a sprawling and lush green beautifully planned campus with modern state of art infrastructure and hostel facility in 15 acres of land. The institute is accredited with

"A" Grade by NAAC. It offers five engineering programmes (Computer, Artificial Intelligence & Data Science, Mechanical, Civil, Mechatronics). It houses 800+ students and 80 staff members.

ABOUT WORKSHOP

1. The ability of students to face interviews will be boosted.
2. Students will get a thorough understanding of how to groom themselves during the interviews.
3. The confidence that is lacking in students while communicating in English will be buckled up.
4. Students will themselves write their Resume. (No Copy / Paste)
5. Students will understand the importance of LinkedIn and will create their own profiles on LinkedIn. (LinkedIn grooming will also be there)
6. Students will understand the actual way of initiating the group discussion rather than a debate, also they will be acquainted with the importance of leading a group discussion.

OBJECTIVE OF WORKSHOP

This Workshop was organized to develop effective communication skills (spoken and written). Develop effective presentation skills. Write an effective resume. Prepare students for giving a concise and to the point self introduction. To make students become self-confident individuals by mastering interpersonal skills, team management skills, and leadership skills.

“My Story - Motivational Session by Entrepreneur/Startup Founder”

The Institution's Innovation Council (IIC) organized “My Story - Motivational Session by Entrepreneur/Startup Founder” on **28th Nov 2023** at MMIT, Lohgaon, Pune. IIC hosted a session for students as well as faculties from different departments to build awareness about Entrepreneurship and start up. The session was conducted by a startup founder and entrepreneur who motivated students and faculties by narrating her story, that how she started a venture which in turned out to be a proper organization. After building an organization successfully, she was motivated to start a new venture. These stories motivated students to think for self-employability.

The details of Workshop are as follows:

Time: 10.00 AM.

Date: 28th November 2023

Mode: Offline Mode

Resource Person: Rutuja Sathe

- Owner of Infeanet (Software Development)
- Owner of Muscle Mochi
- Owner of Quantum Code

Activities performed:

In the session, the speaker shared information about basics of entrepreneurship, startups and how they pursue their startup journey, what are the phases of startup, challenges they have faced and how are they managing the startup. The speaker also shares how a startup works along with the facilities available for the students on the campus in the form of incubation centers.

Total Duration of session is 1.5 hrs.

Total Participants: 39 Students & 07 Faculties.

It was an interactive session where students' doubts were solved by the speaker.

Outcome:

The outcome of this event is to spread knowledge about entrepreneurship and the startup ecosystem and show how to take startups as a career option for students while studying. Also, Session was about motivating students and faculties to pursue the same. It was also an inspirational session for students about employability and how they can get better opportunities with the core knowledge in their field.

About Program:

Objective:

The objective of the program is to share the journey of start-up and its founder in terms of the challenges she faced and how she overcame those challenges. The founder also emphasized proper college attendance and importance of attending every lecture and practical which may help them to get core knowledge in the field. Also, She told students the importance of patience, which is most important if you want to become an entrepreneur.
