Poster Competition on Innovative Ideas

The Poster Presentation Competition was jointly organized by the Institution Innovation Council (IIC) and the Department of Engineering Sciences of Marathwada Mitra Mandal's Institute of Technology (MMIT) as part of the Quarter II activity on 28th February 2024-29th February 2024. Participants have the opportunity to win financial resources offered by the institute to support their ongoing development, which may include patents and copyrights. The theme was innovative ideas in the fields of Science, Engineering, and Technology.

The details of Poster Presentation are as follows:

Time: From 10.00 A. M. to 3. 00 P. M.

Date: 28th – 29th February 2024

Mode: Offline

About Program:

Objective:

- To share new ideas for a start-up.
- To encourage original and novel thinking
- To provide an opportunity for the expression of academic talent.
- To understand the techniques and aesthetics behind an effective presentation.

Activities performed:

During this competition, students have presented their groundbreaking concepts in the realm of technology, such as the application of artificial intelligence in healthcare, LiFi Fidelity, E-commerce, etc. They have also emphasized the significance of their poster idea.

Total Participants: 33 Students

Day 1: 22 participants

Day 2: 11 participants

Outcome:

This event provided students with a platform to showcase their talent through posters and gain insights on delivering presentations in a competitive setting. The student conducted a search and selected a science and technology-related topic for their poster presentation. Students created posters and delivered great presentations for this competition.
