ABOUT MARTHWADA MITRA MANDAL

The trust "Marathwada Mitra Mandal, Pune" was established in 1967 by Hon. Late Shri. Shankarraoji Chavan, Former Home Minister, Govt. of India as the "Founder President". The trust had started its activity with the objective of providing hostel or similar accommodation in Pune to the students. This trust is established through the inspiration of socially and educationally charged personalities, with the motto **"Yethe Bahutanche Hit"** (Welfare of Masses). Mass education, co-education and dedication towards overall development of the region are watchwords of the trust. At its various educational campuses the trust has created excellent facilities of education catering to Architecture, Interior Design, Management, Law, Commerce, Pharmacy, Engineering, etc. Which provides excellent education to about 12,000+ students.

ABOUT MMIT

MMIT, Lohgaon was established in 2008. The institution is affiliated to Savitribai Phule Pune University, Pune and is approved by AICTE, New Delhi, Recognized by DTE, Government of

Maharashtra. The uniqueness of the institute lies in its provision for an elaborate spectrum of engineering program under one roof which emphasis on quality education, training, and building of cultural value and development of professional skills. The institute has a sprawling and lush green beautifully planned campus with modern state of art infrastructure and hostel facility in 15 acres of land. The institute is accredited with **"A" Grade by NAAC**. It offers five engineering programmes (Computer, Artificial Intelligence & Data Science, Mechanical, Civil, Mechatronics). It houses 1000+ students and 80 staff members.

OBJECTIVES OF THE WORKSHOP

The objective of this workshop is to provide students with general guidelines for how to select their final year project.

- To understand best practices followed for the selection of Latex tool used in Report Writing
- To understand the open source tools (LATEX)

RESOURCE PERSON

Mrs. Swatee Nikam (Yewale)
(Senior Java, Latex developer,

Workshop Details

Subject: One day Workshop on How to prepare reports using the LATEX tool

Attendee: 80 TE Computer Engineering Students

Organized By: Department of Computer Engineering, MMIT, Lohgaon-411 047 under CSI Chapter

Date: 6th October 2023

Time: 10.30 am to 1.00 pm (Friday)

Mode of conduction: Hybrid Mode

Resource Persons:

Name: Mrs. Swatee Nikam (Yewale)

Company Details: PhenoixZone Technologies PVT LTD, Pune.

Objectives of the Workshop

The objective of this workshop is to gain knowledge about documentation on open source tools. The participant will develop a basic understanding of LATEX Tool & Report writing.

Program Outcomes

- Proper understanding of open source tools (LATEX).
- Students are able to understand & learn how to prepare reports, using LATEX.

Speech: Mrs. Swatee Nikam Yewale, Phoenix Zone Technologies PVT LTD, Pune

Introduction:

LATEX is a document preparation system for high-quality typesetting. It is most often used for medium-to-large technical or scientific documents but it can be used for almost any form of publishing.

Session by Mrs. Swatee Nikam Yewale

She is highlighted with the importance of open source software available in report writing. She started with installation of Miktest, various packages in latex. She covered all basic things and commands required during writing a project/seminar report.

Topic Covered:

Topic
Topic 1: Introduction This topic introduces the learner to Latex, its installation, and different IDEs
Topic 2: Styling Pages Styling front three pages of seminar or thesis report.
Topic 3: In this topic, the session starts by reviewing different paper sizes, examines packages, formats the page by setting margins, customizing header and footer, changing the page orientation, adding border to pages, page numbering (italic, numeric).
Topic 4: Tables and Images The topic starts by creating basic tables, adding simple and dashed borders, merging rows and columns, and handling situations where a table exceeds the size of a page. The sessions then continue to add an image, explore different properties like rotate, scale, etc.. How to add image and table name in list of table and images index.
Topic 5: Referencing and Indexing In this topic, the learner learns to add cross-referencing (refer to sections, table, images), and bibliography (references).
Topic 6: Presentation Making Using Beamer
Topic 7: Preparation of research paper as per IEEE template.

She covered all the important topics regarding writing a project/ seminar report, as per the SPPU syllabus. This workshop was conducted for one day. The certificate is issued to those students who are registered to this workshop. On behalf of MMIT & Management, Computer Department, Mrs.Tejaswini S.Bhoye gave the vote of thanks expressing the gratitude towards Mrs. Swatee Nikam Yewale for sparing her valuable time & guidance to our students from her busy schedule.

Enclosure:

1. Sessions photos
2. Registered students list
3. Student feedback
