**Report of "Poster Presentation" Organized on the occasion of 'Engineers
Day' on dated 15th September 2023. for Students Organized by the
Department of Civil Engineering, MMIT, Lohgaon, Pune.**

On the occasion of Engineers Day on 15th September 2023, the Department of Civil Engineering at MMIT Lohgaon organized a poster presentation event. The event was coordinated by Prof. Vaibhav Sawant and Prof. Prajкта Shinde, while the guidance was provided by Dr. A. P. Khatri HOD Civil and Principal Dr. Rupesh Bhortake.

Details are as follows:

Time: 10:00 AM

Date : 15th September 2023

Venue: B104 Room MMIT, Lohgaon, Pune,

Judge: Dr. Mukesh Ghogare

Objectives

The primary objective of the poster presentation event was to provide a platform for students to showcase their research and technical skills in the field of civil engineering. It aimed to encourage students to work on research projects, promote their creativity and innovative thinking, and enhance their presentation skills.

Participants

The event saw enthusiastic participation from the civil engineering students of MMIT Lohgaon. Students from all semesters presented their research projects on various topics related to civil engineering, including structural engineering, transportation engineering, environmental engineering, and geotechnical engineering.

Poster Presentation

The poster presentation event started with a brief address by event Judge Dr. Mukesh Ghogare. After that, students presented their posters in front of judge, faculty members, and their peers. Each student had ten minutes to present their poster, followed by a five-minute question-and-answer session.

The students demonstrated their technical skills and knowledge of the subject matter while presenting their posters. They discussed various topics in detail and used illustrations, photographs, and graphs to support their findings. The judges evaluated the posters based on the creativity of the idea, research methodology, presentation, and overall impact.

Conclusion

The poster presentation event was a great success, providing a platform for students to showcase their research and technical skills in the field of civil engineering. The event helped students to enhance their presentation skills and provided them with valuable feedback from faculty members and judges. The Department of Civil Engineering at MMIT Lohgaon plans to continue organizing such events to promote creativity, innovation, and research in the field of civil engineering.
