ABOUT MARATHWADA MITRA MANDAL

The trust "Marathwada Mitra Mandal, Pune" was established in 1967 by Hon. Late Shri. Shankarraoji Chavan, Former Home Minister, Govt. of India as the "Founder President". The trust had started its activity with the objective of providing hostel or similar accommodation in Pune to the students. This trust is established through the inspiration of socially and Educationally charged personalities, with the motto "**Yethe Bahutanche Hit**" (Welfare of Masses). Mass education, co-education and dedication towards overall development of the region are watchwords of the trust. At its various educational campuses the trust has created excellent facilities of education catering to Architecture, Interior Design, Management, Law, Commerce, Pharmacy, Engineering, etc. Which provides excellent education to about 12,000+ students.

ABOUT MMIT

MMIT, Lohgaon was established in 2008. The institution is affiliated to Savitribai Phule Pune University, Pune and is approved by AICTE, New Delhi, Recognized by DTE, and Government of Maharashtra. The uniqueness of the institute lies in its provision for an elaborate spectrum of engineering program under one roof which emphasis on quality education, training, and building of cultural value and development of professional skills. The institute has a sprawling and lush green beautifully planned campus with modern state

of art infrastructure and hostel facility in 15 acres of land. The institute is accredited with 'A' Grade by NAAC. It offers five engineering programmes (Computer, Artificial Intelligence & Data Science, Mechanical, Civil, and Mechatronics). It houses 800+ students and 80 staff members.

ABOUT DEPARTMENT

The Department of Mechanical Engineering was started in 2008 in line with institute vision "Techno-Social excellence" to produce quality engineers with an attitude of service, for the benefit of the society and nation. The Department has offered a four-year degree program in Mechanical Engineering since the academic year of 2008 – 2009, which had a student enrolment of 120. The Department has licensed copy soft-wares like ANSYS, CATIA, MATLAB, MASTER CAM with sophisticated production CNC machine etc. Highly-qualified and experienced faculty members, excellent laboratory as well state-of-the-art facilities, modern computer clusters and the extensive industry-academia interaction all serve to make engineering education at MMIT Lohgaon campus is a unique and enriching experience. Graduates from the Department of Mechanical Engineering

are highly-employable and sought after by many prestigious organizations.

ABOUT AUTOMOTIVE CLUB

The MMIT Collegiate Club formed in 2014 by a group of interested students. Since 2014 the club has carried out various activities. Club has carried out various Workshops in College campus, Technical events and participated in National Level Events. There has been an increase in participation of enthusiastic students. Under this club students have participated in National Level ATV, Go-Kart competitions. Students have won Overall championship at FMAE BAJA 2020, IPEC 2017.

OBJECTIVES OF THE WORKSHOP

- To create awareness and importance about Vehicle Dynamics
- To understand Lateral, Longitudinal and Vertical Dynamics
- To explore engineering adhesive technology
- To get networking opportunity with Industry experts

"Workshop on Engineering Adhesive Technology & Vehicle Dynamics"

The Automotive Club of MMIT has organized the hands on Workshop on "Engineering Adhesive Technology & Vehicle Dynamics" between 8th to 10th February 2024. Automotive Club hosted the sessions for students as well as faculties from different departments to focus on Engineering Adhesive Technology and vehicle dynamics. The session was conducted by Industry Experts from Infileague Motorsports, Indeed Foundation & Loctite Expert Trainings who guided students and faculties about the recent trends in Adhesive Technologies.

The details of Workshop are as follows:

Time: 10.00 AM.

Date: 8th to 10th February 2024.

Mode: Offline Mode

Resource Persons:

Dr. Anjali Joshi (HoD, Mechanical)

Dr. Girish L. Allampallewar (Chief Faculty Advisor, Automotive Club)

Mr. Wasaw Mishra (Indeed foundation)

Mr. Chandresh Sharma (CMO, Infileague Motorsports)

INSTITUTE OF TECHNOLOGY
S.No.35, Plot No. 5/6, Lohgaon, Pune-411 047

About Workshop:

Objective:

- To create awareness and importance about Vehicle Dynamics
- To understand Lateral , Longitudinal and Vertical Dynamics
- To explore engineering adhesive technology
- To get networking opportunity with Industry experts

Activities performed:

In the sessions, the speaker shared information about basics of Vehicle Dynamics. The speakers also threw spotlight on basics of adhesives by hands on practices with machine components. Industry Visit was also organized under this Workshop at MAHATECH 2024- An Exclusive Industrial Exhibition at Sinchan Nagar, Pune.

Total Duration of sessions is 4 hrs.

Total Participants: 55 Students & 05 Faculties.

There were interactive sessions where students' doubts were solved by the speakers.

Outcome:

The outcome of this event is to spread knowledge about Vehicle Dynamics and Adhesive Technology. Also, sessions were about motivating students to explore the recent trends in Vehicle dynamics and Adhesives. It was also an inspirational workshop for students about how they can get better career opportunities with the core knowledge in this field.
