NOTICE

Dear MMIT College Students,

We are pleased to inform you that the Department of Civil Engineering is organizing a poster presentation event on the occasion of Engineers Day, which falls on 15th September 2022.

The poster presentation event will take place on 15th September 2022 from 10:00 am to 1:00 pm at the college seminar hall. All students of MMIT College are welcome to participate in the event. Students can either present an individual poster or form a team of up to three members to present a joint poster.

To participate in the event, interested students need to register their names by 10th September 2022. The registration form is available at the Department of Civil Engineering office. Students must submit their posters in A1 size in format along with a brief abstract of their work by 13th September 2022.

The best posters will be selected by a panel of judges, and the winning teams will be awarded prizes at the end of the event.

We encourage all interested students to participate in this exciting event and make the most of this opportunity. For any queries, please feel free to contact the Department of Civil Engineering office.

Best Regards, Department of Civil Engineering, MMIT College.

Report of "Poster Presentation" Organized on the occasion of 'Engineers Day' on dated 15th September 2022. for Students Organized by the Department of Civil Engineering, MMIT, Lohgaon, Pune.

On the occasion of Engineers Day on 15th September 2023, the Department of Civil Engineering at MMIT Lohgaon organized a poster presentation event. The event was coordinated by Prof. Vaibhav Sawant and Prof. Reshma Fegade, while the guidance was provided by Prof. Leena Deshmukh and Principal Dr. Rupesh Bhortake.

Details are as follows:

Time: 10:00 AM

Date : 15th September 2022

Venue: Seminar Hall, Lohgaon, Pune,

Judge: Mrs. Hemlata Budhwar

Objectives

The primary objective of the poster presentation event was to provide a platform for students to showcase their research and technical skills in the field of civil engineering. It aimed to encourage students to work on research projects, promote their creativity and innovative thinking, and enhance their presentation skills.

Participants

The event saw enthusiastic participation from the civil engineering students of MMIT Lohgaon. Students from all semesters presented their research projects on various topics related to civil engineering, including structural engineering, transportation engineering, environmental engineering, and geotechnical engineering.

Poster Presentation

The poster presentation event started with a brief address by event Judge Mrs Hemlata Budhwar Madam. After that, students presented their posters in front of judge, faculty members, and their peers. Each student had ten minutes to present their poster, followed by a five-minute question-and-answer session.

The students demonstrated their technical skills and knowledge of the subject matter while presenting their posters. They discussed various topics in detail and used illustrations, photographs, and graphs to support their findings. The judges evaluated the posters based on the creativity of the idea, research methodology, presentation, and overall impact.

Conclusion

The poster presentation event was a great success, providing a platform for students to showcase their research and technical skills in the field of civil engineering. The event helped students to enhance their presentation skills and provided them with valuable feedback from faculty members and judges. The Department of Civil Engineering at MMIT Lohgaon plans to continue organizing such events to promote creativity, innovation, and research in the field of civil engineering.
