## Department of Civil Engineering

### Report on Industry Visit at Parvati Jalkendra,Pune on 11 Oct 2022 organized by Civil Department, MMIT Lohagaon

#### **Introduction:**

The department of civil engineering organized an industrial visit to Parvati Jalkendra,Pune on 11th Oct 2022. This was organized under Water supply Engineering subject. Two faculty members Prof. P.D.Shinde and Prof. Dr.A.P.Khatri were present with the students at the place of visit.

The students and faculty members were welcomed by the water treatment plant. The Junior Engineer explained the procedure of WTP. They also explained the plant in detail as well as how each and every component part is working.

The engineer also explained the procedure and importance and a detailed explanation was given to students about various equipments and components of WTP. He also explained about the safety measures as well as precautions to be taken during the working hours of the plant. The visit provided very useful information to the students for their future field practice and satisfied the objectives as mentioned earlier.
