Respected Sir/Mam,

We at Snehwan would like to take this opportunity to express our gratitude and thank you for standing behind Snehwan and its mission. Your contributions invaluable to us and gives us inspiration to continue the journey we have stated. Your contribution will be used for food and nourishment.

NSS camp was held in Snehwan for 7 days from 9<sup>th</sup> Feb to 15<sup>th</sup> Feb 2023. It was overwhelming and enriching experience for me and all at Snehwan. Student have contributed in cleaning activities (Shramdan), Session on Computer literacy, Mathematics, Sessions on Chemistry with live demonstration, beautiful wall painting activity done by MMIT and MMIED students. All MMIT and MMIED staff and students participated in all above events. The dedication and efforts taken by Mr. Rohit Polas (NSS Program officer) highly appreciated.

In this 7 days of experience, NSS students arranged various cultural programs like drawing, singing, musical chair, poetry, lemon spoon, and other competitions. Snehwan children enjoyed a lot, learnt and shared bond amongst them.

Our endeavor at Snehwan is to give these children a helping hand to overcome the hardships and odds that has been their lot in life. We want them to grow up to be responsible and caring people who will give back to society and nurture those less fortunate than they. We believe that every child should have right for equal education, secure future and fulfil their dream.

We pray that the Lord shower His blessings on all at MMIT and MMIED family.  
We hope for your continued support and guidance in the journey.  
I request you to please visit Snehwan with your friends and family.

With gratitude and love,  
On behalf of all at Snehwan,

Warm Regards,  
Ashok Deshmane
